*Change your water, change your life.*

# Does it really matter?

That might be just what you are thinking when it comes to water and we have the answer for you.

## Why Alkaline Water?

Alkaline antioxidant water...

- ✓ contains natural antioxidants to boost your body's immunity and fight sicknesses
- ✓ helps to enhance cellular absorption of nutrients and vitamins
- ✓ contains rich alkaline minerals to neutralize over-acidity during the growing up years
- ✓ contains micro-clusters to ensure healthy daily bowel movement (detox)
- ✓ effectively hydrates your baby's body without causing any bloatedness

So isn't it time you act now and ensure your family's health is taken care of? Come visit us and find out more about the benefits of alkaline water at either one of our showrooms, or at the **Motherhood Exhibition - Singapore Expo Hall 6B, Booth D9, from 2 - 5 June, 11am - 9pm.**
